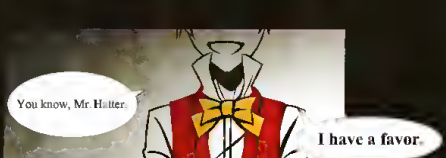
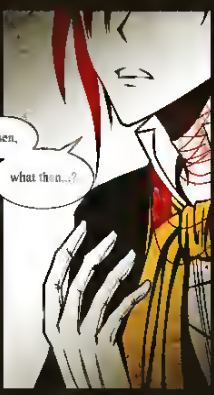
When I came to,
I had a string wrapped around my neck.
But it didn't look harmful, so...
What... is this...?
Since when was it here?
I left it as is.
I lived without being conscious of it for so long...
that by the time I realized it...
The string started to tighten around my neck.
Only then did I struggle to get the string off.
...Urk!!
But was it too late...?

It only got more tangled.

Suffocating!!



Let's go through it.



Then,
what the...?

WHATEVER CHANGES ONCE WE GO THROUGH THAT DOOR!?
